

WAIT! Did you forget something?

It is our desire to help facilitate learning inside the classroom with hands-on experiences. Materials in this trunk were specially selected for you and your students in order to help create a constructivist learning environment. Please help us ensure that hands-on learning opportunities will continually be available for every student by making sure all learning resources are accounted for in the African Americans in Art and History traveling trunk. **Please check off items upon receiving and returning the trunk.** Thank you for your cooperation!

Date received: _____

Return Date: _____

All trunks come with one pair of gloves for handling artifacts. In the museum, we use these to keep art and historical objects free of the oils from our hands. Please return the gloves with the Ziploc bag in the trunk.

Comments:

For teachers in Muscogee County: The trunks will be delivered and returned via the county Pony system.
